

ALLERGY ASTHMA, & IMMUNOLOGY ASSOCIATES, P.C. Main Omaha Office: 2808 S. 80TH AVE. STE. 210 OMAHA, NE 68124 Your appointment location may be different from this address Phone (402) 391-1800

Welcome New Patient,

Thank you for making an appointment with Allergy, Asthma & Immunology Associates, and for your confidence in our physicians and staff, to meet your health needs. The physicians in our practice are board-certified specialists in adult and pediatric allergy, asthma, and immunology; to provide you with the highest level of care, your initial visit could last from one to three hours.

Our usual evaluation fee is \$350.00 (CPT code 99204). This amount does not include charges for allergy or lung function tests, or other tests/procedures performed at our office. For skin tests, the current cost is \$15.00 for each scratch test (code 95004) and \$17.00 for each intradermal test (code 95024). Complex allergy cases may require as many as 75 tests for proper evaluation. Lung function tests range from \$75.00 to \$150.00. Not all patients need skin or lung function tests.

Five full days before your appointment, please discontinue use of antihistamines, including, but not limited to Alavert, Allegra, Astelin Nose Spray, Atarax, Axid, Benadryl, Claritin, Pepcid, Tagamet, Zantac. Seven full days before your appointment, discontinue Clarinex or Zyrtec. These are the brand names of common antihistamines, so please check with a pharmacy to ask if your medications are antihistamines. Do not stop asthma medications.

IMPORTANT REMINDERS BEFORE YOUR APPOINTMENT:

- Please complete and sign all patient forms in the packet; bring completed forms to your appointment.
- Please thoroughly review and sign AAIA's Financial Matters policy.
- Please bring all insurance cards (primary/secondary/tertiary coverage).
- Please bring payment for your office visit co-payment amount ("specialist" co-pay).
- We submit your claims to your insurance company; if you wish to file your own insurance claim, then full payment is due at the time of service.
- If you have Medicare or Medicaid, we will automatically submit your charges.
- Payment of your remaining balance, after insurance has processed, is due upon receipt of your statement. You may pay by cash, check, or credit/debit card. Payment plans are available. We also accept CareCredit® please call our Business Office for details.

Please arrive 15 minutes prior to your appointment time. Your appointment is important to us, so please call us at (402) 391-1800 at least 24 hours in advance if you are unable to keep your appointment (even if you cancel via the text notification), so we may offer the time slot to another patient.

Please contact our office if you have any questions. We look forward to caring for you.

Sincerely,

The Physicians and Staff of Allergy, Asthma & Immunology Associates, P.C.

FINANCIAL MATTERS

Allergy, Asthma & Immunology Associates, P.C. of Omaha and Lincoln is extremely pleased to provide care to you and your family. The following details outline our clinic's financial policy:

- We must emphasize that as a medical practice, our relationship is between you and our physicians, not the insurance company. While the filing of insurance claims is a courtesy that we extend to our patients, it is often necessary for you to inquire and explore your benefits with your insurance carrier. The patient is responsible for any portion of the charges deemed non-covered or noted as "Patient Responsibility".
- AAIA is a private practice (independent) clinic. AAIA is not directly affiliated with outside laboratories, clinics, pharmacies, or physicians; when AAIA physicians write lab orders, our physicians are not liable for the charges, fees, and bills you may receive when you have services or labs drawn through these non-AAIA entities. AAIA emphasizes that new and established patients must: a) check with their specific insurance plan to determine which of AAIA's physicians and locations are "innetwork" for their benefits; b) check in advance with their insurance plans to determine coverage and exclusions; c) check in advance with laboratories, non-AAIA physicians, and pharmacies, to understand the services, charges, and patient financial responsibilities that they will have with the non-AAIA entities.
- The patient is required to present an insurance card(s) at each visit. Failure to provide this information may result as a "self pay" patient. If you have no insurance coverage or your charges are subject to a large yearly deductible, a minimum down payment of \$200.00 towards the balance is expected at the time of your visit if you are a NEW patient. A minimum down payment of \$100.00 towards the balance is expected at the time of your visit if you are an ESTABLISHED patient. Per the No Surprises Act of 2022, if you would like a Good Faith Estimate of the costs for services/procedures anticipated to be rendered, please contact our Business Office. Additionally, our Business Office will contact you to establish a formal payment plan for the remaining balance.
- Our office files all insurance claims, however, we may not be participating providers for all insurance plans. It is your responsibility to check with your insurance payer before your visit to see if AAIA is in network with your plan. Services listed as "covered" by your plan, are still subject to the patient financial liability for their deductibles, co-insurance, and co-payments (as outlined in your plan).
- Note that when referring to your plan benefits and coverage, the physicians, and mid-levels (physician assistants, nurse practitioners) at our clinic, are categorized as specialists.

- All <u>co-payments</u> are due at the time of service, <u>including injection patients</u> who have a co-payment/co-insurance payments associated with each administration injection.
- If your insurance provider requires a referral, such as Tricare Prime members, <u>you</u> are responsible for getting a referral to our office from your primary care (PCP) doctor. This must be done no later than **48 hours** prior to your appointment. We follow guidelines set forth in those plans and services cannot be rendered if proper authorization has not been given. Please have your referring doctor fax the referral to (402) 391-1563 or call (402) 391-1800.
- Once the insurance company has processed the claim, you will receive a <u>billing</u> statement which shows the patient responsibility portion of your services.
 - Payment in full is expected when you receive your statement. Checks or credit card payments may be mailed to our Billing Office at 2808 S 80 Ave Ste 210
 Omaha NE 68124. Payments in cash or by check are accepted in person at all locations.
 - Payments by credit card (Visa®/MasterCard®/Discover®/American Express®) are accepted in person or over the phone by calling our Billing Office at 402-391-1800.
 - o If you are unable to pay your balance in full at the time you receive your statement, please call and speak with one of our billing staff to set up a monthly payment plan. We also accept CareCredit®; please call our Billing Office if you would like details.
 - A \$50 Service Fee will be added to all checks returned for insufficient funds.
 If your check is returned, you will be required to pay cash, money order, or credit card for the services.

I understand and agree to the terms of this Financial Policy:
